THE BUILDER'S STORY

Since 2003, Windsong Properties has set the Standard of Excellence for Active Adult Living in North Atlanta. The company was founded upon the idea that the transition from family home to empty nest should be an enjoyable and exciting experience focused on improving one's Quality of Life. The company's success indicates that it is on the right track. Windsong founders Mark Carruth and Steve Romeyn share more than three decades of building experience and a personal understanding of the unique needs and desires of the active adult homebuyer. They have guided and satisfied hundreds of empty nesters as they have transitioned from a "family raising" stage of life to an "active adult" lifestyle in Windsong's neighborhoods - "Where Life's A Breeze!"

Windsong's homebuyers deeply appreciate the company's unique blend of style, design, and sought-after components: a private neighborhood clubhouse for social gatherings; professionally designed and maintained landscaping; innovative and open ranch floor plans, perfectly sized; generous design selections for personalizing one's home; close attention to every detail; and superior ongoing customer care. In addition to providing a fresh, new and fun environment, each home is fully accessible with wide, no-step doorways, lever handles and other amenities which allow for life's changing situations.

Incorporating innovative designs and materials, Windsong Properties offers one the flexibility not available from larger companies. Its commitment to excellence has been recognized both by homeowners and building industry peers, earning *Excellence in Customer Satisfaction Awards* for eight consecutive years as well as *OBIE Awards* for superior design and construction from the Greater Atlanta Homebuilders' Association. Windsong Properties is proud of its reputation, its dedicated team, and its product. Mark and Steve have assembled a team of highly qualified experts whose commitment to quality and integrity matches their own. Windsong is committed to improving your Quality of Life by building you the best possible home in a community of caring, respectful and lasting relationships.
